

PERTEMUAN ILMIAH TAHUNAN HATTI XXIX

Birawa Assembly Hall, Hotel Bidakara, Jakarta, Indonesia
November 10th-12th, 2025

CALL FOR PAPERS

**"Geotechnical Engineering for
Sustainable Infrastructure: Driving
Resilience and Innovation"**

MAIN TOPICS

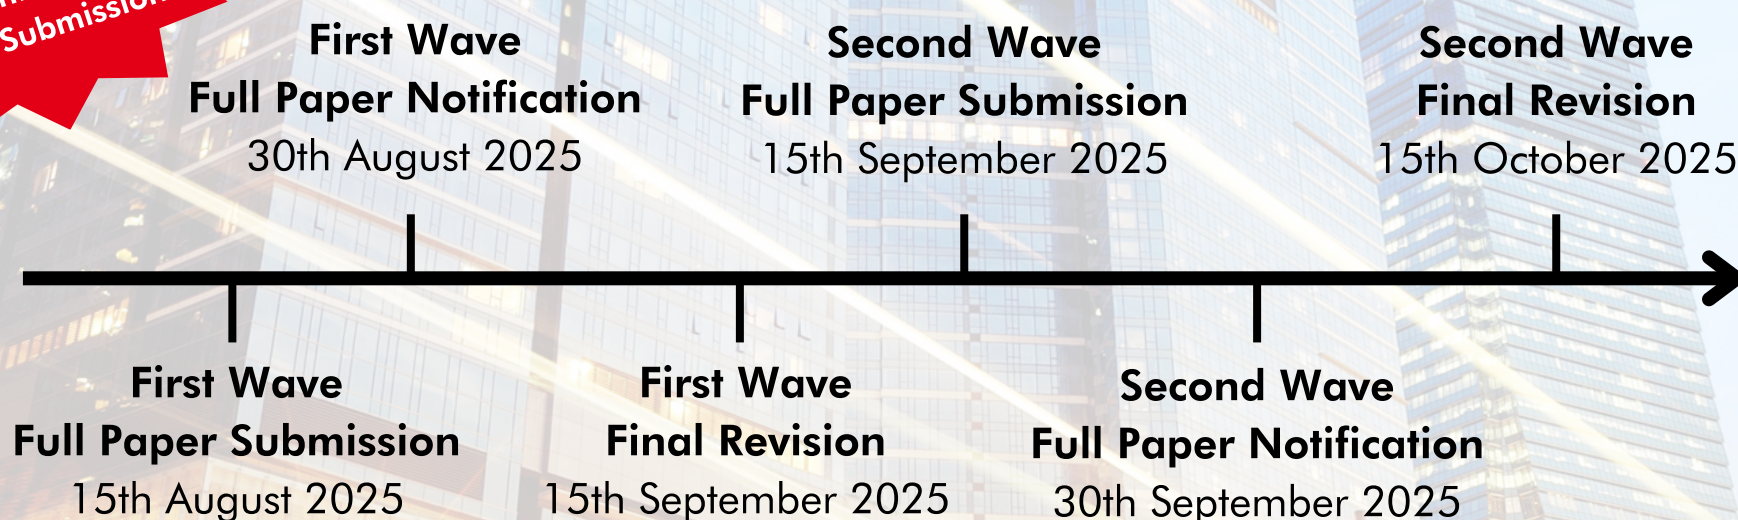

- Achieving Sustainability in Geotechnics
- Adapting Design to Climate Change
- Energy Geostructures
- Landfill and its Geotechnical Issues
- Biogeotechnics Stabilization
- Carbon Sequestration

SUB-TOPICS

- Soil Characterization
- Physical & Numerical Modelling
- Unsaturated Soil Mechanics
- Ground Improvement and Soft Soils
- Machine Learning and AI in Geotechnical Engineering
- Foundation Engineering
- Land Reclamation
- Residual Soils
- Earthquake Engineering
- Underground Construction
- Slope Stability
- Building Information Modelling

IMPORTANT DATES

**Rp. 300.000
discount for First
Wave Submission**

Speaker Registration Fee:

- First Wave Papers:
 - HATTI Members/Students: Rp. 1.000.000
 - Non-HATTI Members: Rp. 1.200.000
 - Foreigners: USD 250
- Second Wave Paper:
 - HATTI Members/Students: Rp. 1.300.000
 - Non-HATTI Members: Rp. 1.500.000
 - Foreigners: USD 300

Regular Participants Fee:

- Early Bird:
 - HATTI Members/Students: Rp. 1.600.000
 - Non-HATTI Members: Rp. 1.800.000
 - Foreigners: USD 350
- Normal Rate:
 - HATTI Members/Students: Rp. 2.000.000
 - Non-HATTI Members: Rp. 2.500.000
 - Foreigners: USD 400

Publication Opportunities:

Proceeding PIT HATTI 2025; Indonesian Geotechnical Journal (HATTI Journal);
Journal of Geo-Engineering (Q3); Journal of Civil Engineering Forum (Sinta 2)

SUBMISSION LINK
